57. What best describes your occupation in terms of day-to-day responsibilities? [text input]
58. What is your occupational group? [single-select]
94. What type of occupation? [single-select]

**AI Usage**

- |   |
|---|
| 12. Have you heard of generative AI before? [single-select]   |
| 13. Have you used generative AI tools before? [single-select] |
| 14. Do you use generative AI for your job? [single-select]    |

### **Gen AI usage**

15. Check off which generative AI tools you use [multi-select]
16. How many days each week do you use generative AI tools at work? [number]
17. How many hours per week do you use generative AI tools at work? [number]
18. When did you most recently use generative AI tools at work? [single-select]
19. In what tasks are you using generative AI/Large Language models at work? [multi-select]
20. In reference to your most recent task in which you used generative AI at work, how long did it take you to complete the task using generative AI? (in number of minutes)? [number]
21. How did you use generative AI for this task? [single-select]
22. In reference to your most recent task in which you used generative AI at work, how long would have taken you to complete the same task without generative AI? [combination]

<b>Job risk</b>
84. What do you think is the probability (0-100%) that you will lose your job due to generative AI in the next two years? [number]
85. What do you think is the probability (0-100%) that at least one of your coworkers will lose their job due to generative AI in the next two years? [number]

<b>Employed Block</b>
23. How many days do you usually work <b>from home</b> in a given week? [number]

- |  |
|--|
| 24. How many hours per week do you usually work for your job? (0-168) [number]               |
| 25. How many days do you usually work for your job? (0-7) [number]                           |
